

Practice your "N" sounds

Inspired by the Sago Mini First Words app

Supplies you'll need

crayons scissors

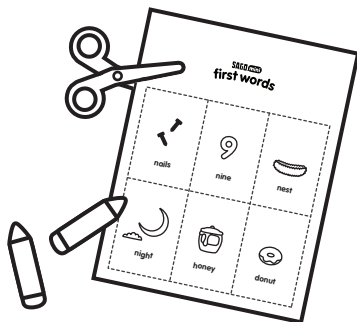

Goal:

Practice pronouncing words that have a "N" sound at the beginning, the middle and the end.

Words being practiced:

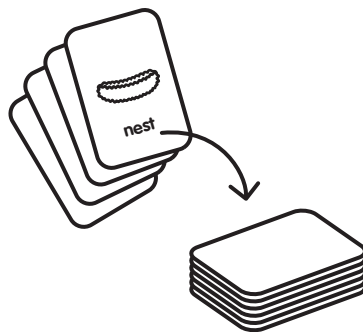

nails, nine, nest, night, honey, donut, pineapple, hand, pan, fan, chicken, spoon

Instructions

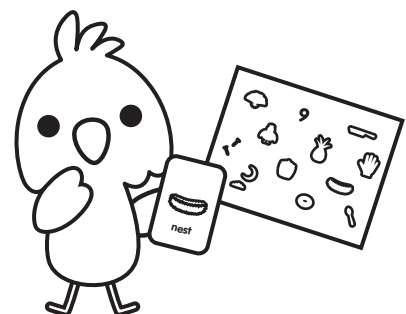

1. Print, color, and cut

Print out the activity and color it in. Cut the flash cards along the dotted lines.

2. Shuffle the cards

Shuffle the flash cards and place the deck face down. Draw a card from the deck.

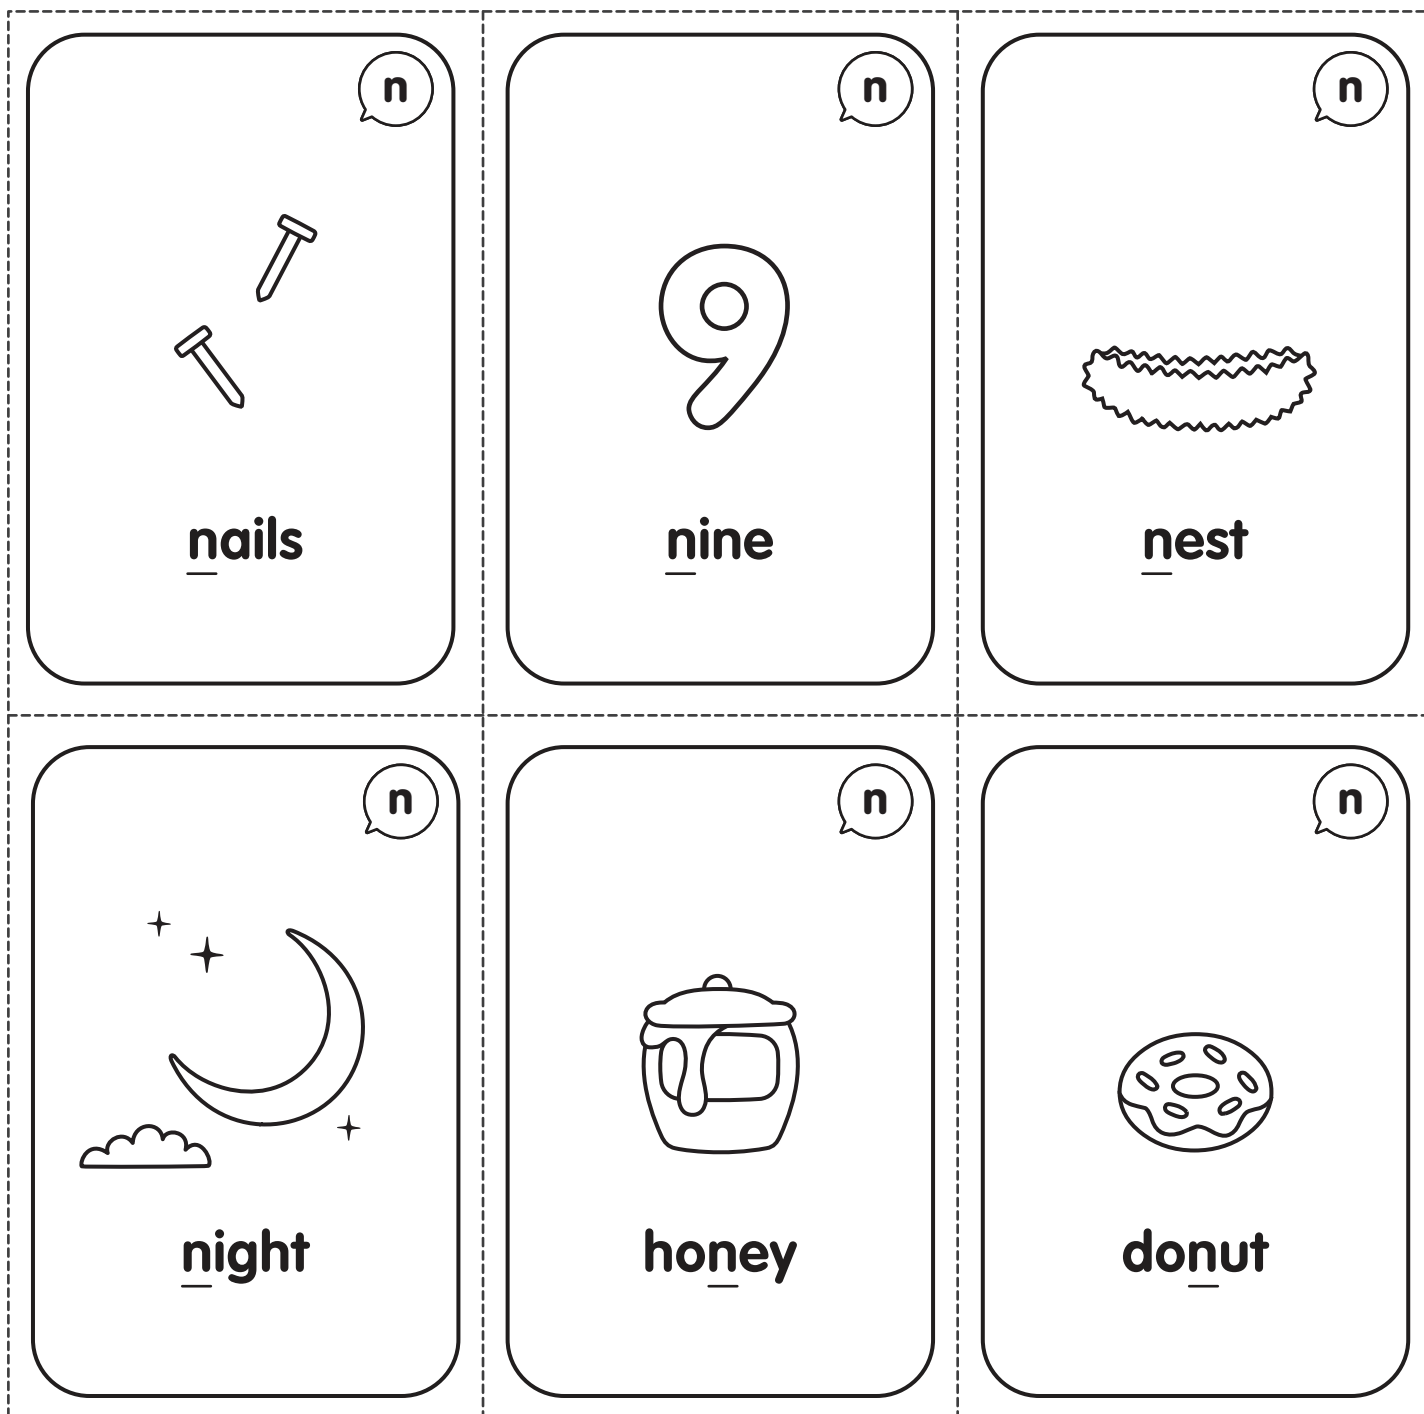

3. Say it and spot it!

Pronounce the word out loud and spot the matching picture on the picture map.
