

ice cream

Did you know?

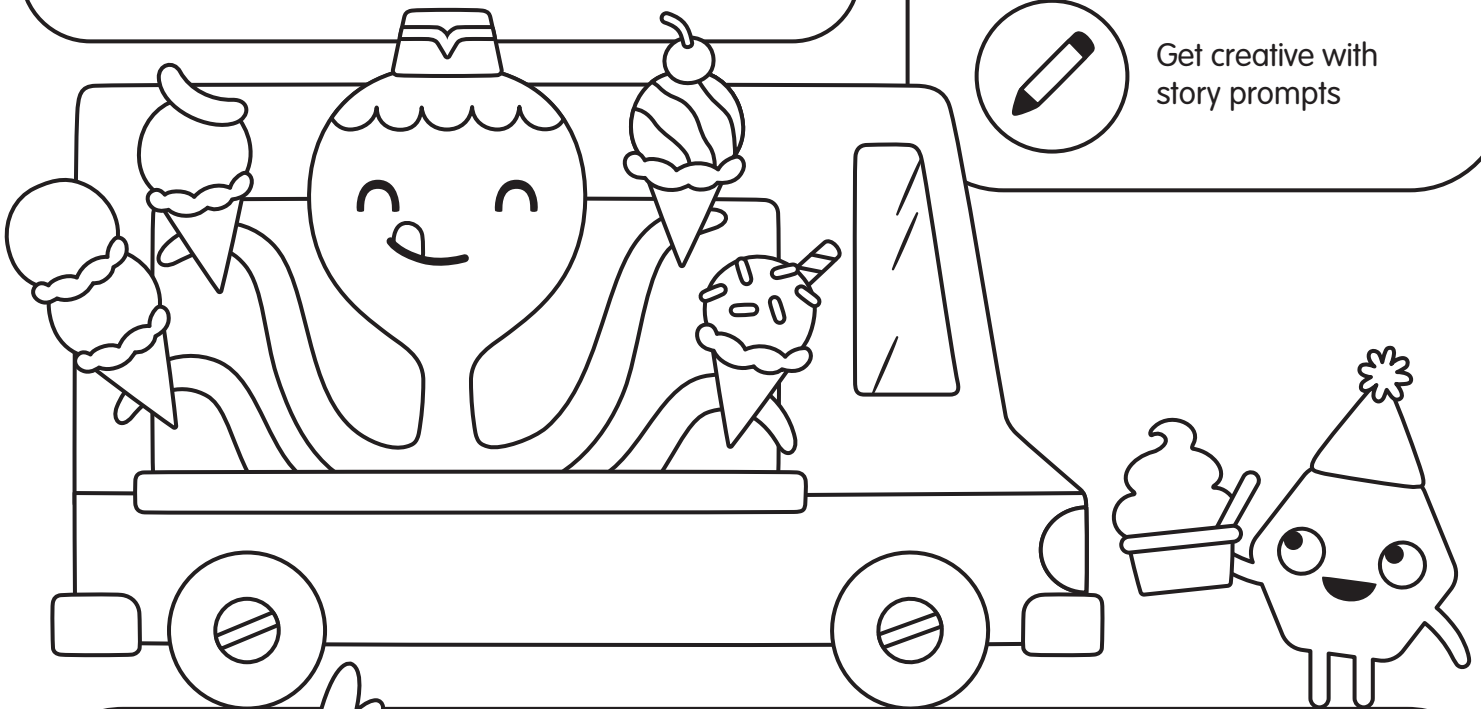

It takes about 50 licks to finish an ice cream cone.

Why did the ice cream carry an umbrella?

Because there was a chance of sprinkles!

Funny Quote:

"You can't buy happiness, but you can buy ice cream and that is pretty much the same thing."

Activities included in this set:

Look closely to spot the differences in the sundaes.

Learn colors with popsicles.

Fill orders in a pretend ice cream shop.

Practice tracing ice cream vocabulary.

Get creative with story prompts

SAGO mini
school

Supplies you'll need:

pencil

crayons

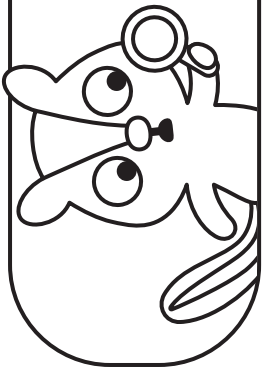

scissors

glue

Download **Sago Mini School** on the iOS App Store for more learning games!
