

Couch garden

Instructions

Contents:

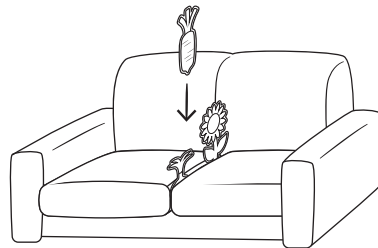

You'll need

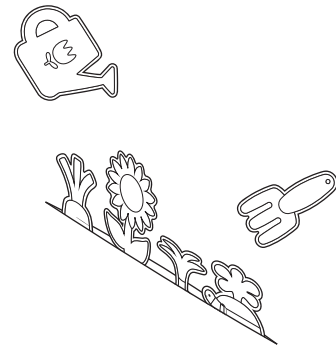

1. Print, colour, and cut out

Print out the activity and colour. Cut out the tools, vegetables, and flowers. Tip: Glue the pieces on cardboard before cutting to make them sturdier!

2. Planting your garden

Take the veggies and flowers and stick them in the cracks of your sofa or armchair to plant a magical couch garden!

3. Harvesting

Use the included tools to help your veggies grow. Dig up your veggies to sell at the market.

Educational play benefits

Play for play's sake is the best way to develop, learn and grow.
