

Forest Seek+Find

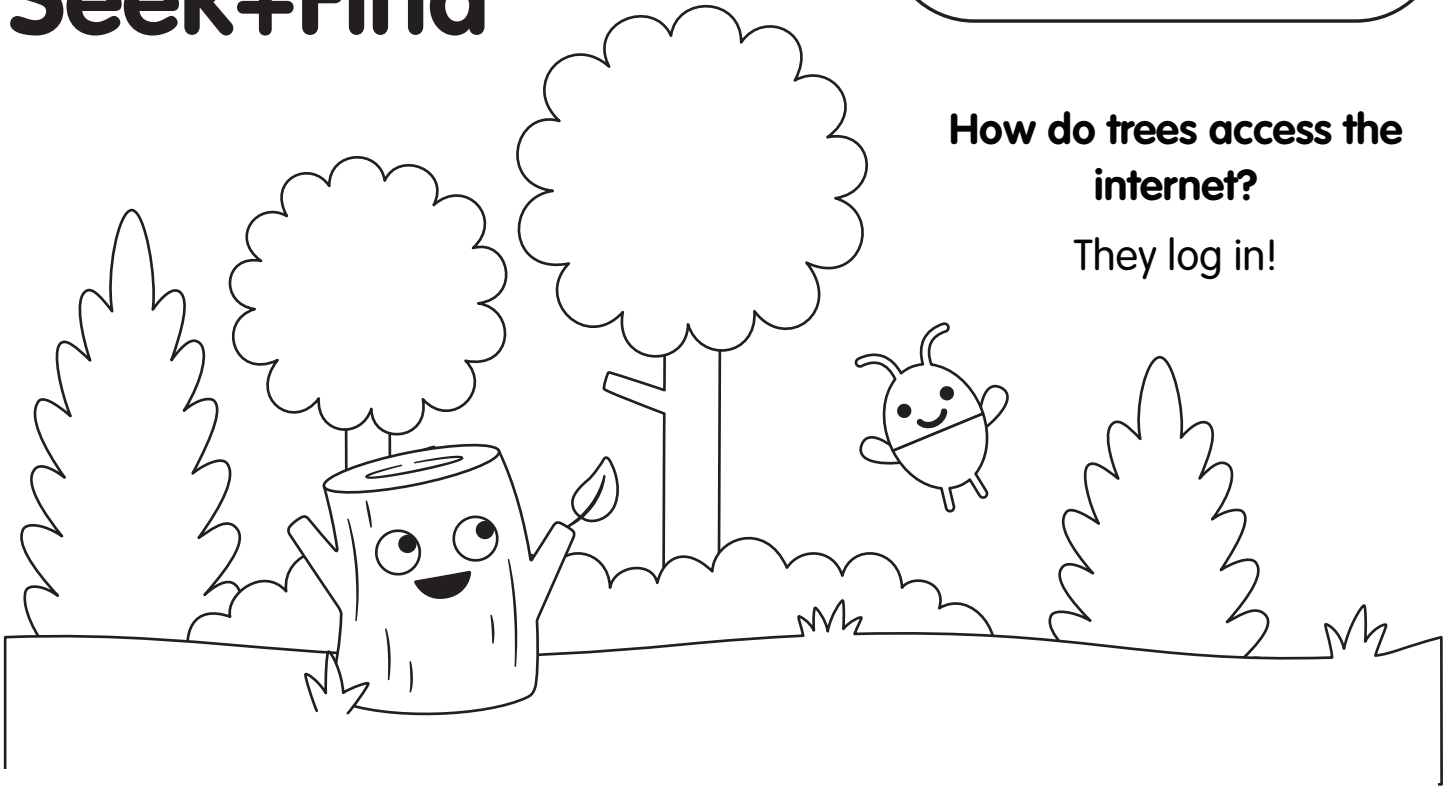

Supplies you'll need

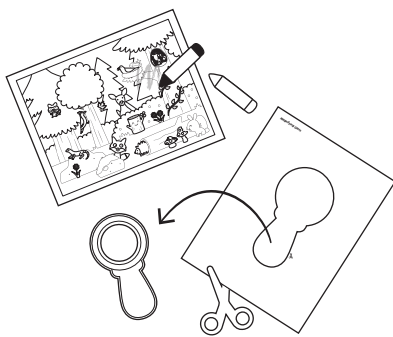

crayons scissors

How do trees access the internet?

They log in!

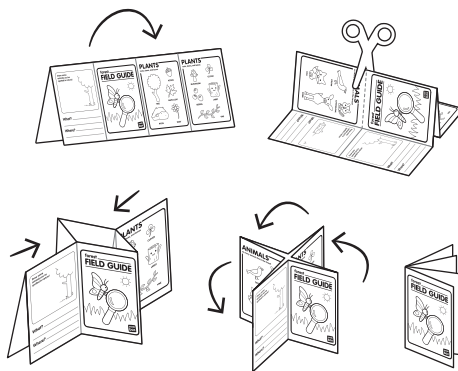

Instructions

1. Print, color, and cut out

Print out the activity. Color in the magnifying glass, coloring page, and field guide. Cut out the magnifying glass.

2. Fold field guide

Make folds along the grey lines. Cut a slit along the dotted line in the middle. Fold in half then push the ends of the paper in towards the middle. Flatten into a small book with the cover in front.

3. Seek+Find

Use the magnifying glass to discover all the creatures hiding in the forest. Can you find all the plants and animals from the field guide?

What? _____

 Where? _____

Draw some animals you've spotted in nature!
