

Instructions

Contents:

Rosie

wigs

accessories

You'll need

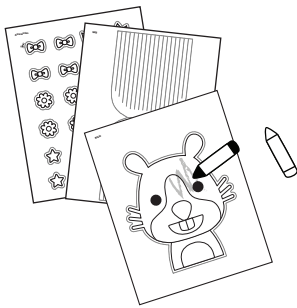

tape

scissors

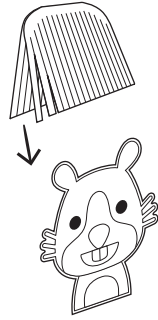

crayons

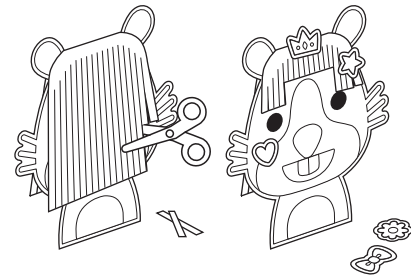

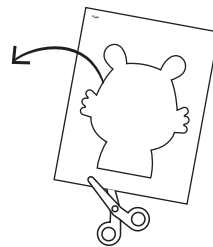

1. Print and colour

Print out the activity and colour.
Tip: glue Rosie on cardboard before cutting to make her sturdier!

2. Cut and assemble

Cut out each piece along the dotted lines. Fold the wig in half and place it on Rosie's head. If you have the Zoo box already, the wigs can be used on the lion as well!

3. Style and accessorize

Cut the hair however you like with scissors. Curl the hair with a pencil. Finish the look by taping or gluing the accessories on the hair. What kind of wacky hair styles can you come up with?

Educational play benefits

Play for play's sake is the best way to develop, learn and grow.

Make-believe play

Small motor play

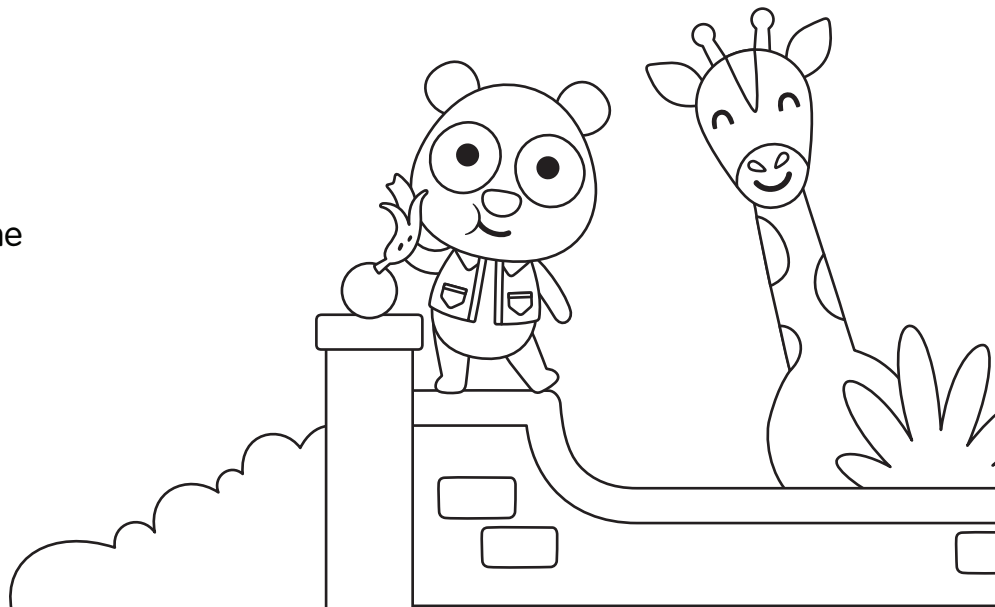

Playing with the arts

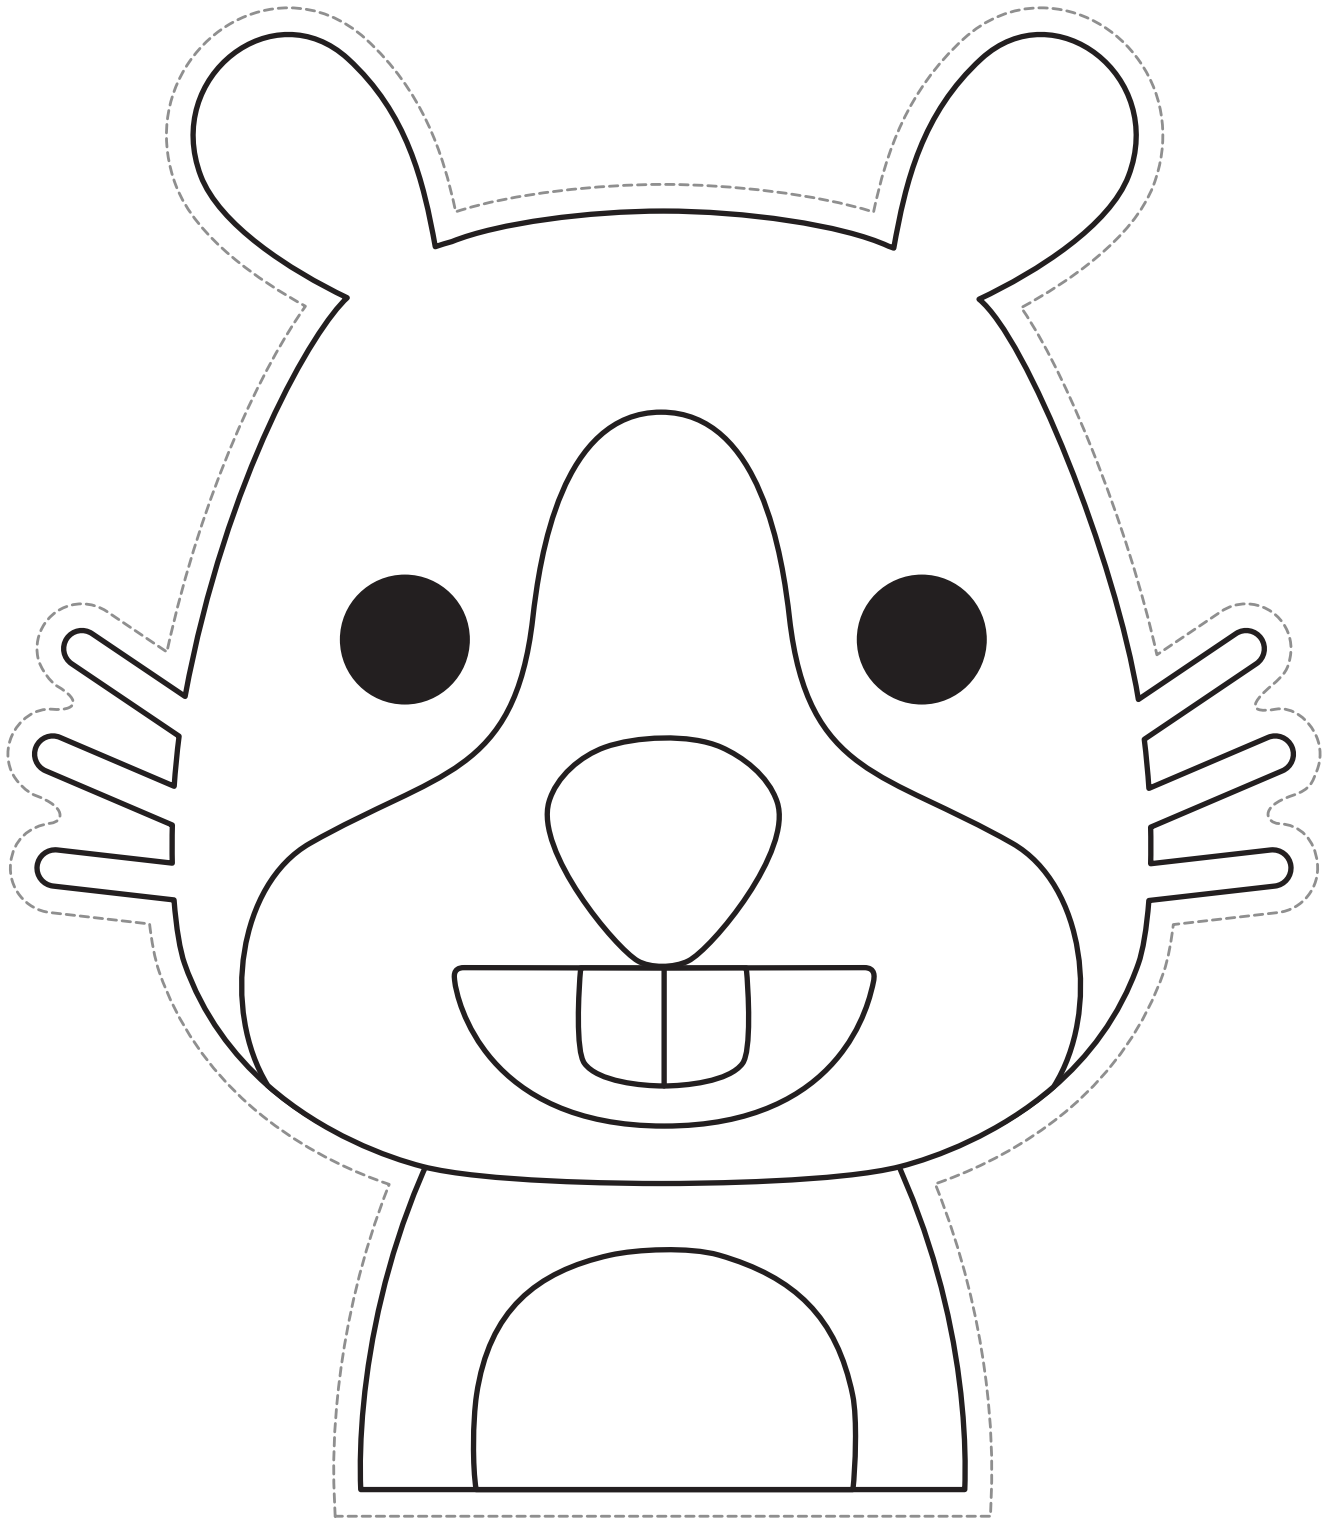

This printable activity is inspired by the

zoo box
