

Tissue Box Dragon Feet

Supplies you'll need

crayons

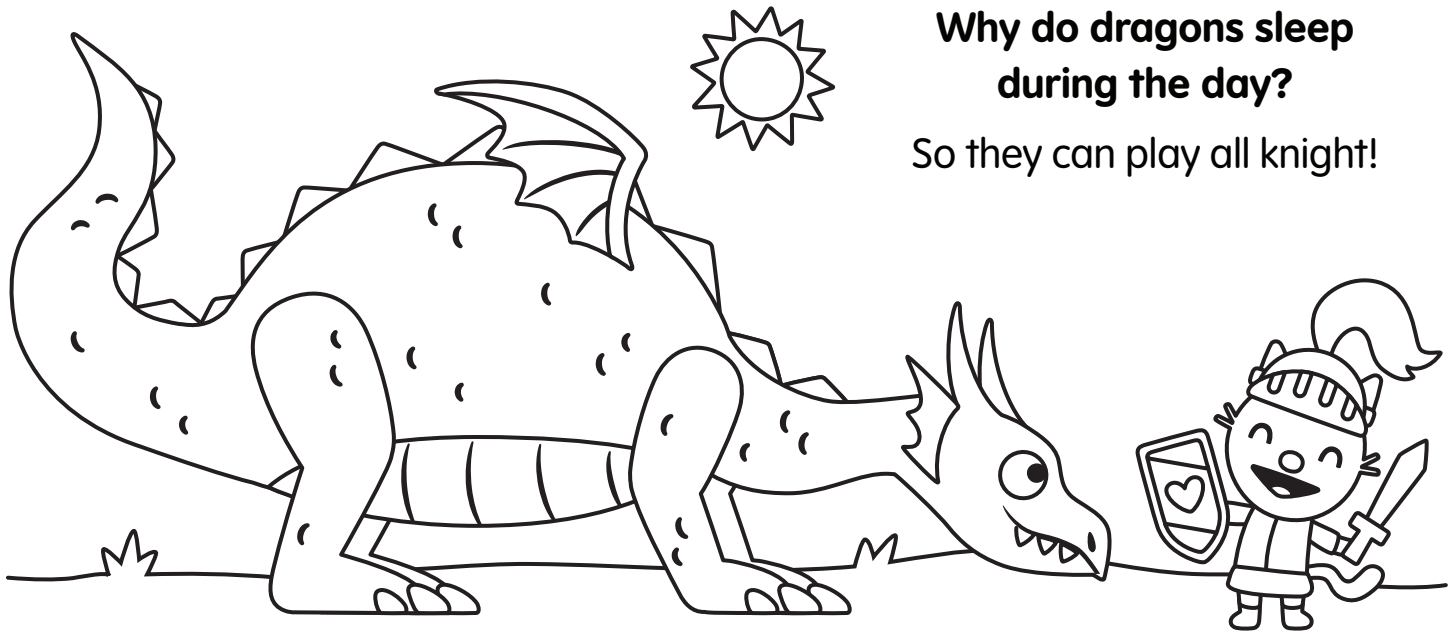

scissors

glue

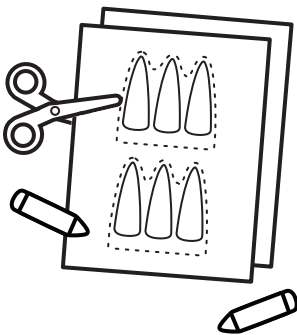

tissue box (x2)

Why do dragons sleep during the day?

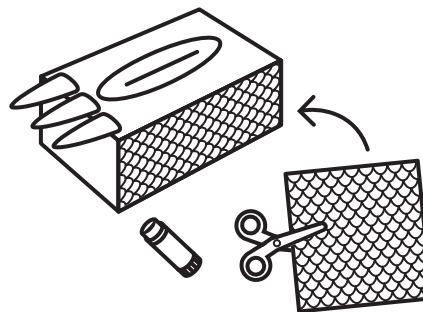

So they can play all knight!

Instructions

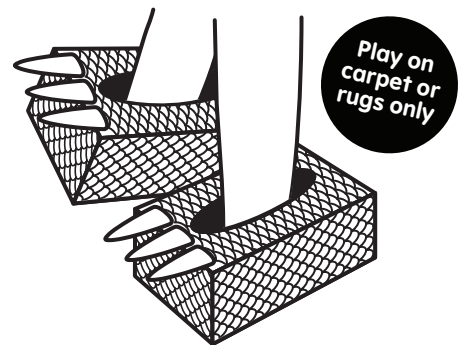

1. Print, color, and cut

Print out the activity and color it in. Cut out the dragon claws and scales along the dotted lines.

2. Assemble dragon feet

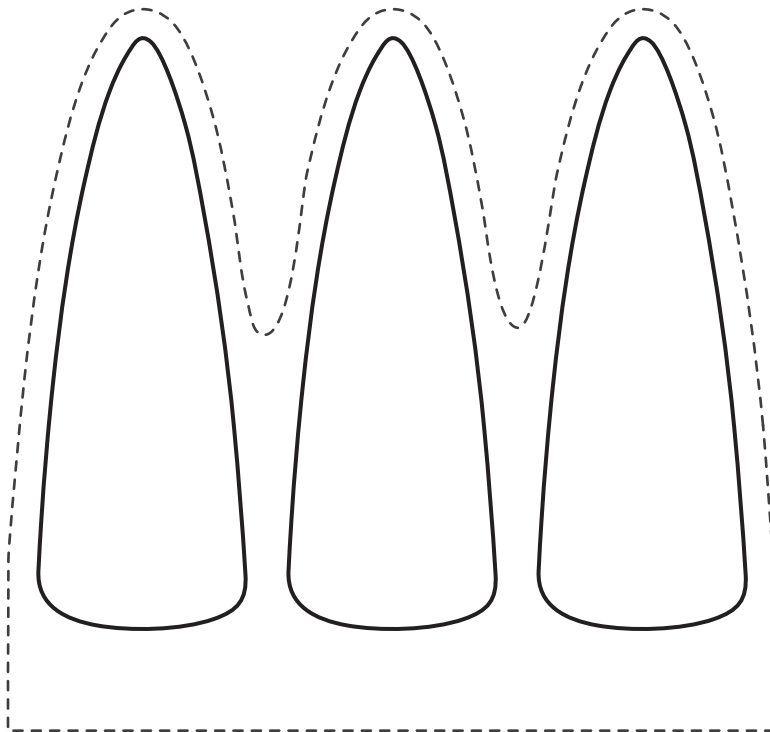

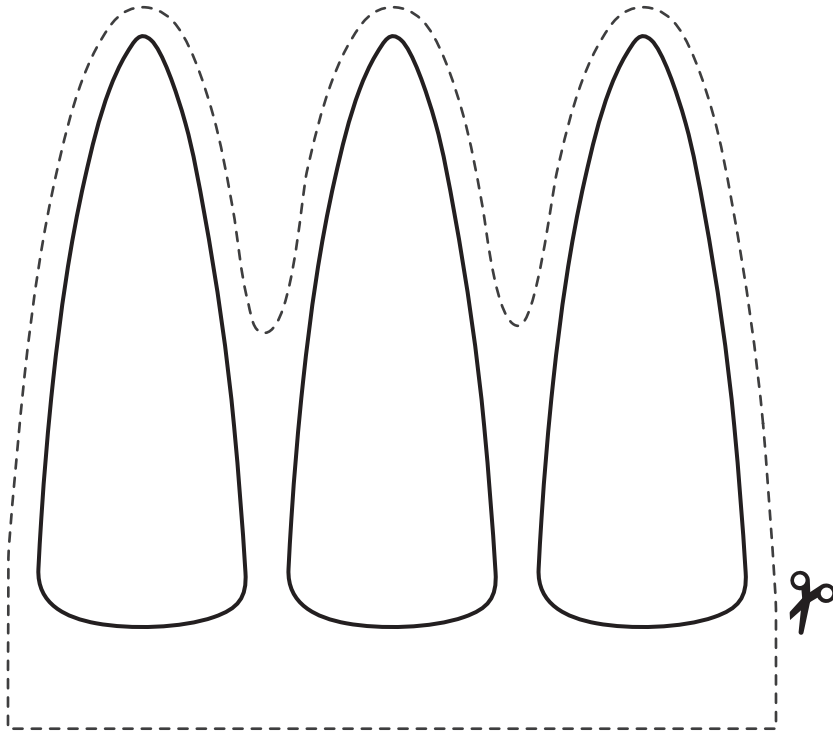

Glue the claws on one end of each tissue box. Glue the sheets of scales onto the top and sides of the box and trim to fit.

3. Stomp and play!

Put a foot into each tissue box, and start stomping around like a dragon! TIP: Can be slippery on hard floors. Stick to carpets and soft surfaces for safety!
