

Forest

Supplies you'll need

crayons scissors pencil

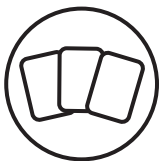

Did you know?

Bears can see in color and have an excellent sense of smell.

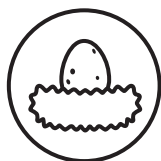

What does a duck like to eat with soup?

Quackers!

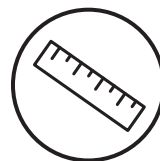

Activities included in this set

Play a game of memory with animal flashcards

Build fine motor skills while matching animals with their habitats

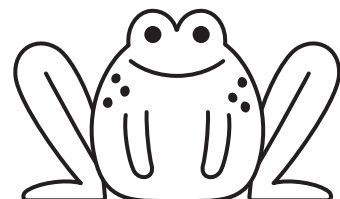

Measure and compare plants and animals

Match the silhouette

Learn plant anatomy

Three ways to play!

1. Coloring

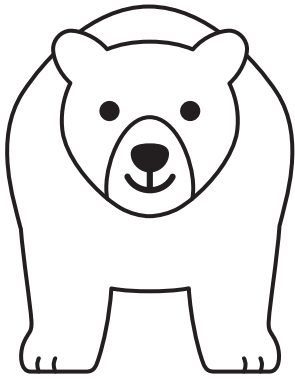

Color and cut out the cards.

2. Memory match

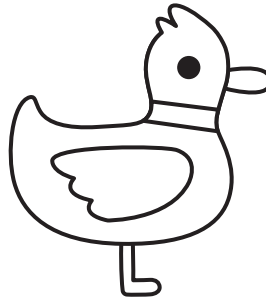

Print, color, and cut out the cards. Place cards in two columns and help each baby animal find its parent!

3. Vocab cards

Use the pictures as clues to read each word.
